

# **FISCAL NOTE**

## **SB 2229 - HB 2421**

February 7, 2002

**SUMMARY OF BILL:** Requires railroad companies to pay for the fabrication and installation of signs at public crossings on lines they operate. Current law provides that the counties will pay for such signs.

### **ESTIMATED FISCAL IMPACT:**

#### **Decrease Local Govt. Expenditures - Exceeds \$100,000**

Estimate assumes local governments will experience a decrease in expenditures estimated to exceed \$100,000 statewide as under the provisions of the bill the cost of signage at railroad crossings will be the responsibility of the railroad company, not the local government.
